

# The Felix Hedgehog Project

## Schedule of Events

*“A grass-roots community project to create the best possible environment for hedgehogs in North Oxford, with the intention of inspiring other neighbourhoods to do the same.” Jane Byam Shaw, Founder.*

---

### THURSDAY, APRIL 21

#### 4:00 p.m. - 5:00 p.m.      DEMONSTRATIONS AROUND THE GARDEN

- Features of a hedgehog friendly garden will be demonstrated.
- A demonstration of the use of Hedgehog Street and the BIG Hedgehog Map to show how this project will monitor and record hedgehog populations with a short discussion about how these tools will be used to demonstrate any increase in population numbers due to the increase in hedgehog tunnels.

#### 5:00 p.m. - 6:00 p.m.      PRESENTATION OF SURVEY RESULTS

- Results of the prototype survey to be announced with a short discussion concerning how hedgehog tunnels work.
- Launch of The Felix Hedgehog Project’s extended survey programme continuing throughout the spring and summer of 2016.
- Discussion on the intention to massively increase the number of hedgehog tunnels created within the designated patch in North Oxford.

#### 6:00 p.m. - 7:00 p.m.      LAUNCH OF THE FELIX HEDGEHOG PROJECT

- Official launch of The Felix Hedgehog Project.
- A short talk will be given covering the following topics:
  - Reasoning why hedgehog conservation is important.
  - How actions done through The Felix Hedgehog Project will make an impact and how you can get involved.
  - What to do if you find a sick hedgehog in need of your help.

*Tea and drinks will be served throughout the evening.*
